

SCIENCE

Impact

Who monitors this subject?

The science subject leader alongside the SMT.

How is it monitored?

- In conjunction with SMT, monitor teaching and learning through school using a sample of children for pupil voice discussions, book trawls and lesson visits.
- Monitor impact of approaches used in school.
- Write and implement an action plan for history based on the monitoring results which contributes to the School Development Plan.
- Keep up to date on teaching pedagogy and use this to inform planning and CPD for the subject
