

PHSE

Implementation

Who teaches this subject?	The PHSE curriculum is delivered by class teachers. Children are taught in class groups from Foundation stage to Year 6 (unless it is appropriate to have a different group). Teaching Assistants will support individual children and larger groups, where directed by the class teacher.
What can the children expect?	<ul style="list-style-type: none">• Progression of knowledge and understanding building on prior learning• Use of a high -quality resource recommended by experts to support structure and lesson content: Jigsaw ©• Opportunities for discussion about ideas• Time to explain their thinking with a partner, group, class or adult.• Opportunity to make links with previous learning• A programme of learning matched to the most recent guidance and statutory requirements.
How is it taught?	<p>Teachers plan lessons following the school long and medium-term plan units using the Jigsaw © resources guidance.</p> <p>They will use their professional judgement to plan suitable learning activities that match the needs of the children in the class. Teachers will adapt a flexible approach to ensure that the pace of lessons is appropriate for all learners.</p> <p>In PHSE, they may use a variety of techniques alongside those already part of quality-first teaching:</p> <ul style="list-style-type: none">• 'Calm me' technique to focus on stillness and mindfulness• 'Paws' pause to stop and reflect technique• Discussion about scenarios
How is it assessed?	Teachers will make use of a variety of assessment opportunities: effective questioning techniques and use the REST (resilience assessment), visited termly.
